Caribé Rum Tasting

Starting March 2017

At Caribé, our roots are from the Caribbean, home to many famous and potent Rums! Did you know tradition suggests that rum first originated on the Island of Barbados? We are bringing you a taste of the Islands right here in Nottingham. Our rum tastings will keep you warm in the winter and mellow in the summer.

As part of the session there'll be the chance to taste a Rum based cocktail shot expertly crafted by our bartenders.

What do you get as part of the session?

- The evening starts off with a short introduction to Caribé
- A brief history of Rum and how it is made
- Two Rum choices (2x25ml)
- Caribé finger nibbles
